Serving the common good by assuring and advancing the quality of higher learning

July 12, 2006

President Daniel M. Johnson
University of Toledo
2801 W. Bancroft
Toledo, OH 43606-3390

Dear President Johnson:

This letter is formal notification of the action taken concerning University of Toledo by The Higher Learning Commission. At its meeting on June 26, 2006, the Institutional Actions Council voted to approve the merger The University of Toledo and The Medical University of Ohio. The Commission Board of Trustees validated that action through its validation process that concluded on July 12, 2006. The date on this letter constitutes the effective date of this new status with the Commission.

I have enclosed your institution's *Statement of Affiliation Status (SAS)* and *Organizational Profile (OP)*. These documents replace the previous two-part Record of Status and Scope. The *SAS* is a summary of your organization's ongoing relationship with the Commission. The *OP* is generated from data you provided in your most recent, (2005-06) Annual Report. If the current Commission action included changes to the demographic, site, or distance education information you reported in your Annual Report, we have made the change on the *Organizational Profile*. No other organizational information was changed.

The attached *Statement of Affiliation Status* and *Organizational Profile* will be posted to the Commission website on Monday, July 31. Before this public disclosure however, I ask that you verify the information in both documents, and inform me before Friday, July 28, of any concerns that you may have about these documents. Information about notifying the public of this action is found in Chapter 8.3-3 and 8.3-4 of the *Handbook of Accreditation, Third Edition*.

Please be aware of Commission policy on planned or proposed organizational changes that require Commission action before their initiation. You will find the Commission's change policy in Chapter 7.2 of the *Handbook of Accreditation*. I highly recommend that you review it with care and if you have any questions about how planned institutional changes might affect your relationship with the Commission, you write or call John A. Taylor, D.Mus.Ed., your staff liaison.

On behalf of the Board of Trustees, I thank you and your associates for your cooperation.

Sincerely,

Steven D. Crow
Executive Director
